FINANCIAL ASSISTANCE

Financial assistance is available to all that qualify. Amounts awarded are based upon need as determined by a confidential family need assessment service. That service is determined on a yearly basis and may change as availability and ease of use are determined. **Returning families must submit the application prior to the end of the current school year.** Parents will be notified of adjustments in tuition payments once the school has received the assessment results. Regular tuition payments should be made until notified. Please understand that financial assistance is available because friends of HCS contribute regularly to our school. No assistance is given by the assessment service.
