

Enjoying the Leftovers

John 9:1-7, Colossians 4:5-6

Introduction: Enjoying the leftovers is an essential part of any Thanksgiving celebration!

Two “Leftovers” to Enjoy:

⇒ **John 9:1-7**

- God has WORK that He wants done. **1 Timothy 2:3-4**
- God has assigned some of that work to YOU. **Ephesians 2:10**
- Your time to do that work is LIMITED.
- So...GET STARTED!

⇒ **Colossians 4:5-6**

- We “redeem the time” by walking in WISDOM towards “outsiders”.
- We walk in wisdom as we PERCEIVE how to ENGAGE each person.
- We perceive how to engage as we speak GRACIOUS words.
- So...LEAD with GRACE!

Conclusion: We’re not done with reaching out. We’re just getting started.

How will we use our limited opportunities to reach out to precious lost ones this Christmas season?
