

A Roadmap for Becoming a Godly Dad

(1 Corinthians 15:58)

Introduction: Roadmaps vs. GPS

Practices That Will Help Us Become Godly Dads

⇒ We must STAND FIRM in what is RIGHT.

⇒ We must STAY BUSY...doing what MATTERS.

⇒ We must COUNT on GOD for RESULTS.

Conclusion:

⇒ **Current dads:** are these practices currently a part of your life? Are you aggressively becoming the dad you want to be?

⇒ **Future dads:** are you building these practices into your life even before you have children? Why not start now?

⇒ **Wives, mothers, daughters:** is there a dad in your life who needs your encouragement? What are you doing to communicate that you believe in them?
